HOW TO JOIN US

Complete the "**Be a Member**" form on our website.

TO STAY EXCLUSIVE, WE ESPECIALLY CONSIDER

1) Limit of numbers: To increase business opportunities and have chance of standing out in your market place, CPN respects a number of 3 agents per country, with the exception of some countries with a bigger market, such as India, USA, Brazil, and China.

2) Financial analysis: To select reliable Partners as a member, we need to be sure of the financial situation of each company. In order to avoid financial problems between our network members, All membership requests will be accepted or denied after a background research by the Network Management.

WHO WE ARE

Welcome to Cargo Power Network. The newest, most dynamic, projects forwarding and freight forwarding network for professionals. If your company is a qualified, independent, locally established and international projects logistics specialist, you should consider taking this opportunity to **Join our family.**

3) Market qualifications: All CPN members must be local or regional logistics companies with good reputations (regarding finance, operations, communications, sales coordination, and other professional factors) which can be backed up with at least four third-party agency references from countries outside of the residence of their main head office.

ANNUAL MEETINGS

Our annual meetings, where we give all members the opportunity to get to know each other closely, are the most important process of membership.

Attending this annual meetings is perfect way to boost your company, strengthen and develop strategic alliances in today's competitive market.

Annual Meetings give you a chance to meet new friends more than partner while relieving the tiredness of the year. Besides business discussions, lectures and face to face meetings Annual Meetings has many social activities such as football match-nightlife and location based events.
